

MANDATORY Landscape Irrigating Requirements in IRC*

During Eastern Standard Time (November 1st – March 7)

NOTE: St. John's River Water Management District

has hired a private contractor to enforce the rule.

They travel around the district.

Landscape irrigation is only allowed 1 day/week, and only between 4 p.m. and 9 a.m.

Residential: **Odd (or no address) numbered addresses – Saturday only**

Even numbered addresses – Sunday only

Non-residential: **Tuesday only**

- **On each day that landscape irrigation occurs, it is limited to**

3/4 inch of water and no more than one hour per irrigation zone

* St. Johns River Water Management District (SJRWMD) Governing Board adopted these rule amendments Dec. 2008.

For information about the rule, visit the SJRWMDWeb site at www.sjrwmd.com/irrigationrule
